How to help

Let them do the finding and the matching. Point to the number they are looking for next, and praise the trying. For the sudoku, take one row at a time ("this row has a rocket, a bonfire and a sparkler, so what is missing?"). Say each What Comes Next row out loud like a little song. For I Spy, name each little picture together first, then hunt for it.

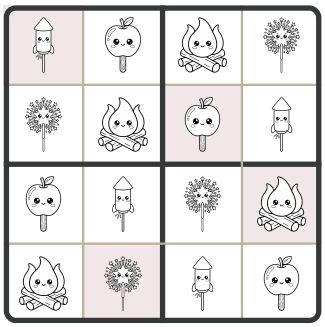

1 Join The Dots

A firework rocket.

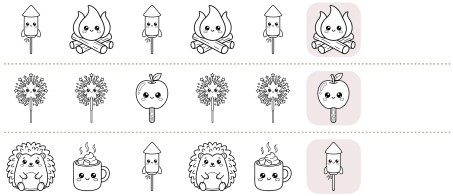

2 Picture Sudoku

Shaded squares were the gaps.

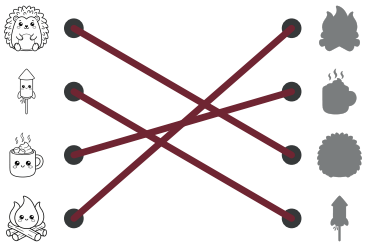

3 What Comes Next?

The answer is shaded.

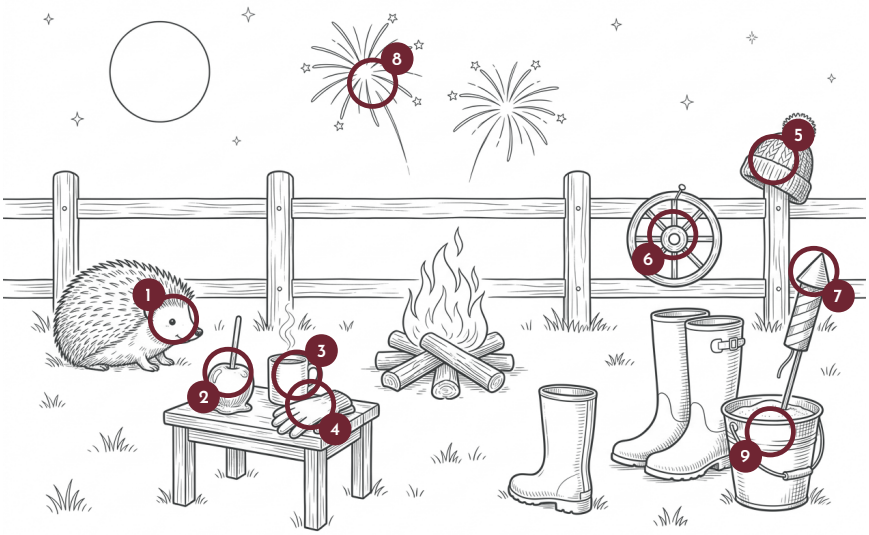

4 Match The Shadow

Hedgehog, rocket, hot chocolate and bonfire each join to the shadow with the same outline. If they get stuck, trace round the edge of a picture with a finger, then find the shadow with that shape.
