Name _____

Date _____

Reception Maths

One more, one less.

I can find one more and one less than a number up to 10.

1 Practise

Count the dots and write how many in the box beside them. Then write the number that is one more.

one more ☐

one more ☐

one more ☐

one more ☐

2 One Less

Say the number that is one less. Write it in the box.

One less than 6	One less than 9	One less than 3	One less than 10
☐	☐	☐	☐

3 Use It

A grown-up reads each one aloud.

There are 4 ducks on the pond. One more duck comes. How many ducks now?

☐

Mia has 8 grapes. She eats one. How many are left?

☐

4 Spot The Mistake

Teddy says one more than 9 is 8. Is Teddy right? Circle one.

Yes No

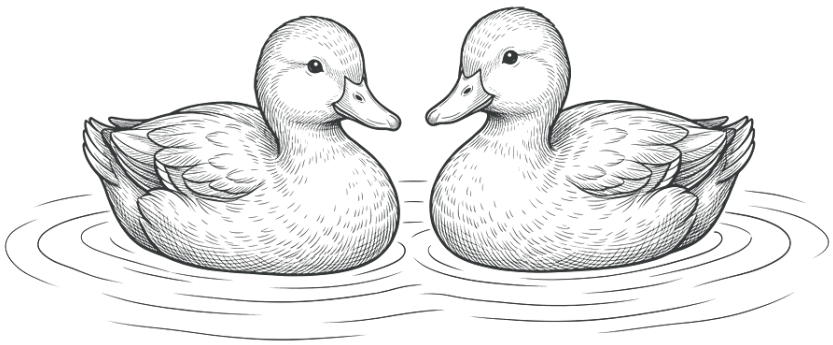

One more than 9 is ☐

☆ Challenge

I am one more than 5 and one less than 7. What number am I?

☐

How did you work it out? Tell your grown-up.

LEARNING

Reception Maths

For grown-ups: how to help, and the answers.

How To Help

- Use the stairs: stand on step 5, go up one, and say the new number. Go down one for one less.
- Count real things: add one toy to the pile, or take one away, and ask how many now.
- Ask "what comes next?" and "what came before?" when you count together.

Practise

1. 3, one more is 4
2. 5, one more is 6
3. 7, one more is 8
4. 4, one more is 5

One Less

1. 5
2. 8
3. 2
4. 9

Use It

1. 5 ducks
2. 7 grapes

Spot The Mistake

1. No. 8 is one LESS than 9. One more than 9 is 10.

Challenge

1. 6. It sits between 5 and 7.
